Please ensure that the documentation you provide supports the amount requested (refer to pages 2-3 of this form). If the documentation supports a total amount plus any estimated tax withholding amount that is less than requested, your distribution may be delayed.

Tax withholding:

Withholding will only apply to the taxable portion of your payment.

Important:

- If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return.
- If your distribution includes rollover amounts from an IRA, 401 or 403(b) plan, it may be subject to an additional 10% early distribution tax penalty. This penalty tax will be assessed when you file your tax return and is not automatically included in your tax withholding for this distribution.

IRS Form W-4R: This form can be found by searching on the IRS website www.irs.gov for W-4R.

If no option is selected on this form, and you do not submit a valid IRS Form W-4R with your distribution form, Lincoln will apply the default withholding percentage from your payment.
